

ULTIMATE PERFORMANCE, COMFORT, AND CONTROL

ENERGY OPTIMIZATION

Model L rooftop units deliver the lowest total cost of ownership through variable-speed components and intelligent operation.

ENGINEERED INTELLIGENCE

The Lennox® CORE control system delivers connected service, open integration, reliable performance, and efficiency optimization to empower all parts of your organization.

COMPLETE COMFORT

Advanced technologies deliver premium comfort and indoor air quality in a wide range of applications.

SIMPLE SERVICE

Model L rooftop units maximize efficiency of maintenance and service operations, reducing operational costs and minimizing downtime.

3- TO 25-TON PACKAGED ROOFTOP PERFORMANCE DATA (GAS OR ELECTRIC HEAT) - ULTRA-HIGH EFFICIENCY
